

Practice Participation Overview

Practice:

- Will commit time to work on “improving your practice”.
- Will form a team (i.e. minimum of Dr./Nurse/office support).
- Improvement team will meet regularly (decide on project timeline).
- Will participate in monthly meetings/calls with Practice Facilitator, and be available & accessible to discuss issues, concerns etc.
- Support program evaluation

Practice Facilitator:

- Meet monthly with practice.
- Available by phone/email/in person as needed to address problems and/or concerns.
- Promote a culture of learning and Quality Improvement within the practice.
- Provide feedback & information on; the changes being tested, implementing of improvements & measures.
