Dear Health Care Provider:

Re: Influenza Vaccine Return for 2014-2105 Season

Please return all unopened vials and/or prefilled syringes of influenza vaccine in original manufacturer packaging to the Biological Depot at Public Health Services at the above address. Some vaccine will not expire until the end of August 2015; however, return the product as soon as possible. It is not necessary follow cold chain procedures when returning the vaccine.

The product can be returned either by Med Express (at expense of practice/agency) or by dropping off the Public Health Office at 7 Mellor Avenue, Unit 5 Dartmouth anytime Monday to Friday, excluding holidays, between 8:30am and 4:30pm.

When returning the vaccine include:

- Your name
- Name of Practice / Medical Centre / Agency
- Name of Agency

We thank you for your commitment and partnership with Public Health this past influenza season. If you have any questions, please contact Clare Kerr at (902)481-5813.

Sincerely,

Cara-Leah Hmidan RN BScN MN
Immunization Coordinator
Public Health Services
