

## Nova Scotia Health Quality Health Summit

Don't miss this opportunity to celebrate and strengthen Nova Scotia's commitment to high quality, safe patient & family-centered healthcare.

We are pleased to announce the first Nova Scotia Health Quality Summit!

A partnership between Nova Scotia Health Authority, IWK Health Centre and Department of Health and Wellness, this is an opportunity to celebrate the outstanding work being done throughout the province. The Summit will be held November 17-19, 2015 with the theme *"Strengthening Quality & Safety through Collaboration"*.

The summit will feature guest speakers on quality improvement and safety topics relevant to the entire province as well presentations sharing the great work that teams are doing on a variety of quality and safety initiatives. Presentations will take place across the province, and will be broadcast to enable full participation.

So, save the dates and stay tuned for more details including your opportunity to present a quality and/or safety initiative. We look forward to celebrating Quality & Safety with you!
