

PDSA Cycle Worksheet

Project Name: _____ Cycle #: _____

Objective of this Cycle: _____

| | Person Responsible | When to be done | Where to be done |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|-----------------|------------------|
| <p>What change are we testing? What is our prediction?</p>  | | | |
| <p>Describe what actually happened when you ran the test. What did we observe that was not part of the plan? Document problems and surprises.</p>  | | | |
| <p>Describe the measured results. Do the results agree with the predictions made in the planning phase?</p>  | | | |
| <p>What action are we going to take as a result of this cycle (Adopt, Adapt or Abandon)? Are we ready to implement the change?</p>  | | | |
| <p><u>What are the objectives of the next cycle?:</u></p> | | | |
