

Physicians & Medical Advisor – Care by Design Network Rosecrest Communities

Discover Rosecrest Communities

Rosecrest is a vibrant and innovative group of communities. The people living and working in our communities come first. We believe that our communities are full of fun, joy, laughter and true companionship. We support one another as we continue to grow and learn. Regardless of age or role we have much to offer one another. Rosecrest embraces the Eden™ Philosophy.

About the Role

As a care by design physician, you are part of a collaborative team that is transforming care for the elders in our long term care facilities. The physicians are supported by a well organized on call network and programs such as the EHS extended care paramedic service.

Schedules are flexible and a well established remuneration scheme is in place.

One position is based at the Sagewood in Lower Sackville where 50 elders reside, and the second is based at the Ivy Meadows in Beaver Bank where 50 elders reside plus one special adult protection bed.

The role of Medical Advisor is also available and can be combined with one of the physician roles. In this leadership role, you are part of an interdisciplinary team that guides policy and practice.

Qualifications:

- * Current registration with College of Physicians and Surgeons of Nova Scotia.
- * Previous experience in Gerontology, Palliative care, or Dementia care is an asset.
- * Familiarity with email and electronic documentation programs an asset.
