

NOTICE: Fetal Assessment Treatment Centre (FATC) Referral Form

We have updated the referral form for the Fetal Assessment Treatment Centre (FATC) at the IWK. The new form (Referral for Consult and Ultrasound Fetal Assessment and Treatment Centre) is now located on our external IWK website for easy access, direct link: <http://www.iwk.nshealth.ca/page/referral-forms-external-physicians-care-providers>

Please use this new form when referring any of your patients to FATC. To avoid delays, please discard any previous referral forms used as this form will replace any previous FATC referral forms effective immediately. This streamlined process will help all of us in providing the best possible care to the women and families we serve.

Please see below for instructions on how to access the referral form online:

Log into IWK Website
<http://www.iwk.nshealth.ca>

Go to top button (tab) that says “For Health Professionals” and click on the same

Click on the second option (tab) that says “Referral Forms for External Physicians”

This will bring you to the form “Referral for Consult and Ultrasound Fetal Assessment and Treatment Centre” Click on this and you now have access to print the form and fax
