

## **GP HOSPITALIST: HALIFAX, NOVA SCOTIA**

The Capital District Health Authority Rehabilitation Program is recruiting to the position of full-time Hospitalist. The position will involve provision of care to a diverse group of patients admitted to the Nova Scotia Rehabilitation Centre site at Capital Health. The Hospitalist, working with the Physiatrist and rehabilitation team, will provide day-to-day medical management of patients receiving rehabilitative care on the inpatient units.

The Rehabilitation Centre Site offers a unique team approach to inpatient care where the opinions and knowledge of others is valued; information is exchanged openly and respectfully; problem solving is strong and creative; and communication with patients and their families is effective and thoughtful. Our Hospitalists strive to model excellence in all areas of responsibilities and have superb communication skills and work well in team settings.

Boasting some of the best academic, employment, lifestyle and housing opportunities that Atlantic Canada has to offer, you and your family will find everything you need within Capital Health.

Interested candidates who are certified members in good standing with the College of Family Physicians of Canada (CFPC) and eligible for licensure with the College of Physicians and Surgeons of Nova Scotia should send curriculum vitae with names and addresses of three referees to:
