

Capital Health

## Attending Physician, Veterans Services

Capital Health is currently recruiting for an Attending Physician in Veterans Services. This is an outstanding opportunity for a family practitioner to promote a Centre of Excellence in veteran care. Veterans Affairs Canada (VAC) exists to repay the nation's debt of gratitude toward those veterans who have courageously contributed to our growth as a nation. Therefore, the standard of care provided for the Veterans must reflect the spirit of the VAC mission to provide client-centred clinical outcomes that respond to the needs of the Veterans and their families in recognition of their services to Canada.

The Attending Physician, Veterans Services:

- promotes excellence in care, medical services, education and research
- provides high quality care to 25 Veterans in an environment that supports Veteran & Family Centred Care
- works with five other family physicians, nursing and other allied health professionals to care for Veterans and is part of a larger call system covering additional Family Practice units
- is funded through a blended remuneration of fee for service and stipend payment

To be considered for this position the successful applicant will be a certificant and member in good standing of the College of Family Physicians of Canada (CFPC), eligible for licensure with the College of Physicians and Surgeons of Nova Scotia and hold privileges in Capital Health.

Qualified candidates are encouraged to send a letter of interest, current curriculum vitae and the names of three confidential referees to **Dr. Graeme Bethune, Medical Director, Veterans Services** at 473-6261, 497-5584, [graeme.bethune@cdha.nshealth.ca](mailto:graeme.bethune@cdha.nshealth.ca)
