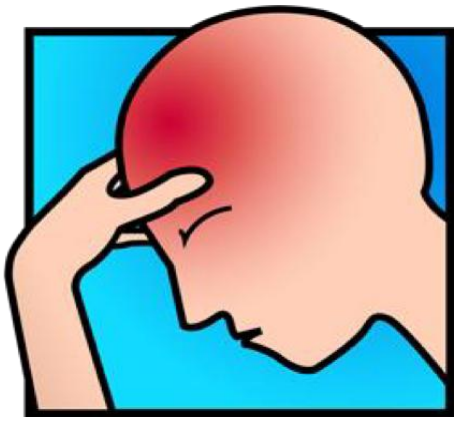
IWK Health Centre

Centre for Research in Family Health



Do you:

Suffer from recurrent **HEADACHES**

1) Are between the ages 14 – 28 years old, and

2) Are familiar with the use of Internet from a computer and a Smartphone?

If so, you can help a team of researchers at the IWK Health Centre. They are testing an online program that is designed to help you to better self-manage your headaches.

It will take about an hour of your time at IWK Heath Centre. You will be asked to use the website that they are building on a Smartphone and computer. This test will help researchers to improve the website.

If you are interested, please visit at: http://mystudies.ca/whi-initial-testing

Participants will be reimbursed with a $10.00 Empire Theatres gift card.

Principal investigator: Dr. Patrick McGrath
Coordinator: Dr. Anna Huguet
Contact: wireless.headache@gmail.com
