

breast *Nova Scotia* reconstruction awareness day

Wednesday, October 16, 2013, 5-7 pm

Breast Reconstruction ... is this the right choice for you?

Have you had a mastectomy and are considering breast reconstruction?

Do you ever wonder what reconstructed breasts look like?

Do you have questions about genetic testing for breast cancer?

If you've answered "yes" to one of these questions, join us as we explore the answers with QEII Health Sciences Centre Plastic Surgeons **Dr. Steven Morris, Dr. Jason Williams and Dr. Martin LeBlanc**, and IWK Genetic Counsellor **Meghan Ferguson**.

Where

Royal Bank Theatre,
QEII Health Sciences Centre, 1796 Summer St., Halifax.

When

Wednesday, October 16, 2013, 5-7 p.m.
(Doors open at 4:30) Light refreshments provided.

A Question & Answer session will follow the presentations.
