Filling out Form TD1NS

Fill out this form **only** if you are an employee working in Nova Scotia or a pensioner residing in Nova Scotia and any of the following apply:

- you have a new employer or payer and you will receive salary, wages, commissions, pensions, employment insurance benefits, or any other remuneration;
- you want to change amounts you previously claimed (for example, the number of your eligible dependants has changed); or
- you want to increase the amount of tax deducted at source.

Sign and date it, and give it to your employer or payer.

If you do not fill out Form TD1NS, your employer or payer will deduct taxes after allowing the basic personal amount **only**.

More than one employer or payer at the same time

If you have more than one employer or payer at the same time and you have already claimed personal tax credit amounts on another Form TD1NS for 2017, you **cannot claim them again**. If your total income from all sources will be **more** than the personal tax credits you claimed on another Form TD1NS, **check** this box, enter "0" on line 12 and do not fill in lines 2 to 11.

Total income less than total claim amount

Check this box if your total income for the year from **all** employers and payers will be **less** than your total claim amount on line 12. Then your employer or payer will not deduct tax from your earnings.

Additional tax to be deducted

If you wish to have more tax deducted, fill in "*Additional tax to be deducted*" on the federal Form TD1.

Reduction in tax deductions

You can ask to have less tax deducted on your income tax return if you are eligible for deductions or non-refundable tax credits that are not listed on this form (for example, periodic contributions to a registered retirement savings plan (RRSP), child care or employment expenses, charitable donations, and tuition and education amounts carried forward from the previous year). To make this request, fill out Form T1213, *Request to Reduce Tax Deductions at Source*, to get a letter of authority from your tax services office. Give the letter of authority to your employer or payer. You do not need a letter of authority if your employer deducts RRSP contributions from your salary.
