

# SAFE Line Quick Reference

for reporting OHS hazards and incidents.

## Dial 902-473-SAFE (7233)

Then, select...

1

For a needle stick injury or exposure to blood or bodily fluids.

2

- Select 1 if you cannot work or require medical aid.
- Select 2 if you can continue to work.

3

- Select 1 for staff to staff or management to staff conflict.
- Select 2 for patient, family or visitor to staff conflict.

4

For all safety risks or hazards including unsafe acts, conditions, practices and/or work procedures.

Please leave your full name, employee ID #, home and work contact information, manager's name, email address (if you would prefer to be contacted via email), and a brief description of the incident. Your call will be returned as soon as possible.
