
Position Title: Family Physician

Department: Family Practice

Location: Elmsdale, Nova Scotia

Posting Date: April 2, 2012

Closing Date: December 31, 2012

Position Summary:

The Elmsdale Medical Centre is a modern medical facility which serves the "Corridor" community between Halifax and Truro. Located 2 exits beyond the Halifax International Airport we are just off the 102 Highway making Metro just a 35 minute drive away. There are six doctors currently practicing in our facility, described by many pharmaceutical reps as one of the nicest in Nova Scotia. Our offices are large and bright with two examining rooms for each physician as well as a main office each. The clinic was one of the first to adopt the Nightingale EMR system and each office has its own computer for patient encounters.

Those who like to travel will find the 10-minute drive to the airport a blessing.

Housing is available in local subdivisions or on nearby Grand Lake. The area boasts new, high-tech elementary & middle schools.

We are presently looking for one or more doctors to replace retiring members of the group and would invite anyone interested in a fulfilling "country style" practice, without the isolation, to give us a call.

Application Process & Contact Person:
