Are between the ages 14 – 28 years old,
and

Are familiar with the use of the Internet
from a computer and a Smartphone?

If so, you can help a team of researchers
at the IWK Health Centre. They are
testing an online program that is
designed to help you to better self-
manage your headaches.

It will take about an hour of your time at
IWK Health Centre. You will be asked to
use the website that they are building on
a computer and Smartphone. This test
will help researchers to improve the
website.
